GALT is a 501(c)(3) all-volunteer, non-profit group dedicated to placing all greyhounds, primarily those that competed and trained for racing, into loving homes. GALT facilitates the adoption of these “retired athletes” by providing kennel services and foster homes along with all their medical needs, including spay and neuter, assisting them in the transition from track life to home life; and educating the public about why the greyhound has been a favored companion dog for more than 4,000 years.
