Greyhound Adoption League of Texas, Inc.
is a 501(c)(3) tax-deductible nonprofit organization.

Help a Greyhound by becoming a Sponsor

Every year the Greyhound racing industry breeds tens of thousands of Greyhounds, and every year more Greyhound race tracks close. A racing career is relatively short, leaving many good years for a retired racing Greyhound to be a companion pet.

There are two Greyhound race tracks in Texas, and Texas is second only to Florida in Greyhound breeding. GALT is the sole retirement outlet for Valley Race Park in Harlingen, Texas, a seasonal Greyhound race track. GALT takes from 120 to 140 Greyhounds from this track alone during each four-month season. Annually, GALT handles between 400 and 500 greyhounds, facilitating their adoption to their forever homes.

Greyhound Adoption League of Texas, Inc. ("GALT") receives its Greyhounds from three sources: (1) race tracks; (2) strays; and (3) owner releases. When a Greyhound's racing career is over, GALT encourages owners to release the retired Greyhounds into an adoption program. However, many Greyhounds are released into unknown situations and are ultimately found running loose or in shelters. Because of changes in life circumstances, some people are unable to continue to keep their Greyhounds and release them to adoption groups instead of shelters.

Many of the Greyhounds taken into GALT's program as strays have life threatening health problems, including starvation, open wounds, injury, heartworms, or other tick-borne diseases. GALT takes in many Greyhounds each year with broken legs and if it were not for GALT, these dogs would be euthanized. Each broken leg requires that the dog have major surgery and costs GALT between \$1,500 and \$2,500 per dog. GALT NEVER REFUSES to take a Greyhound because of an illness or injury and frequently takes dogs that other adoption groups will not take.

Medical expenses alone for the care of GALT's Greyhounds can exceed \$10,000 per month. It costs in excess of \$500 for each Greyhound that enters the adoption program just for basic veterinary care, including vaccinations, blood tests, tests for tick-borne diseases, spay/neuter, and dental. GALT's adoption fee is \$350. GALT is one of the largest single breed adoption groups in the southwest.

Greyhounds are wonderful companion dogs, with quiet, gentle dispositions. Even though Greyhounds are athletes, they are really "45 mile an hour couch potatoes". Your donations and support are "greytly" needed to help GALT continue with its mission. Without generous donors like you, GALT would not be able to give so many Greyhounds a second chance at lives that they so "greytly" deserve.

By becoming a sponsor you can help a Greyhound find a home and promote your product or service at the same time.

ON BEHALF OF THE GREYHOUNDS, THANK YOU FOR YOUR SUPPORT!
