

## Our Purpose

The Greyhound Adoption League of Texas is an all-volunteer non-profit corporation operating in the Dallas/Fort Worth metroplex and throughout the United States since May, 2001. As of June 2013, GALT has assisted approximately 2500 greyhounds in finding their forever homes. GALT depends solely on donations for its operating budget of more than \$400,000 per year for the needs of the greyhounds in its possession. GALT assists all greyhounds, primarily those that are retired from or affiliated with the racing industry and facilitates placing greyhounds in loving, responsible, forever homes.

You can be of help in a number of ways:

- playing in the scramble can be the most exciting way to help—no, you don't need a single digit handicap to have a great time or win one of our great prizes
- volunteering the day of the scramble is great fun for those that choose not to play
- making a direct cash donation
- becoming a sponsor
- making a donation for the raffle and/or auction
- or helping us find individuals and/or businesses for any of the above
